Dear Hiring Manager,

I am writing to express my interest in the Frontend Developer Internship position at Rungta University. As a first year student pursuing a degree Btech in Computer Science and Engineering at Rungta University, I am eager to apply my skills in frontend development and gain hands-on experience in a professional environment.

During my academic projects, I have developed several web pages and small applications, which have strengthened my understanding of modern frontend frameworks and clean coding practices.

I have attached my résumé and portfolio for your review. I would be grateful for the opportunity to discuss how I can contribute to your team.

Thank you for considering my application. I look forward to hearing from you.

Sincerely,

Sincerely,
Name-Divyakumari Chandan Singh
